## Location & surrounding area:

Omiš is located in the middle of Dalmatia and is about 25 km south of Split. The small old town with its small streets offers unique scenery.

During the summer months, Omiš regularly becomes an outdoor stage – for example for the annual Classic concerts or the famous festival of "klapa" (Dalmatian bands/ choirs).

However, this small town not only offers culture, but also long sandy beaches. Beautiful and sandy beaches like these ones can only be found in a few regions of Croatia.

In the evening a short walk along the towns' boulevard and a visit to a restaurant are a "must-do". The numerous restaurants and bars invite you to relax and enjoy delicious Mediterranean food and drinks.
